Company Introduction

Established in early 2000,**VISION MOUNTS** is a prime manufacturer who is specialized in designing and producing a comprehensive line of Universal **LED/LCD Wall Mounts,Ceiling Mounts,Projector Mounts,Desktop Mounts,TV Stands ,Height adjustable desks,Gaming desks and Electric bed frame** for Audio/Video applications in home or office,including user-friendly and environmental-friendly mounting solutions.

- **Engineering Capabilities**

  We have a dedicated R&D and Engineering team to support and to serve our customer’ s needs.
  We introduce cutting-edge designs and state-of-the-art models annually.

- **Production Capabilities**

  We serve original equipment manufacturers,institutional and industrial customers,professional installers,as well as globe and national-wide retail chains.

- **Quality Assurance**

  As an ISO9001:2000 certified manufacturer,we have implemented the total quality assurance system from raw material inspection,production processing control,to final inspection and packaging.We are committed to delivering the highest quality products that are easy to install and maintain with a competitive cost saving solutions.
  We have a significant amount of products are TUV certified and comply with GS regulations.

- **Customer-Care-Services**

  Our devoted customer-care-service teams always ensure that your inquires are responded in a timely fashion and your orders are on-time delivered.Customer satisfactions are guaranteed.

EXPERIENCED

Having the right team involved from the beginning to the end of your project allows you to rest easy with the peace of mind knowing your investment and idea are in capable hands, VISION has the experience you need for successful product development from design, engineering and manufacturing. VISION knows how to bring your product quickly to life and into your customer's hands.

Having a solid supply chain is important in today's volatile world economy,VISION can provide you with the peace of mind you need when it comes to providing quality products at great prices-today,tomorrow,and in the future.

STABILITY

Being a member of the VISION legend group,VISION can provide you with the confidence and trust necessary for confident long term business and stability,You can count on our financial strength,modern factories,engineering and staff of professional resources to assist you and your business.

Trade Capacity

We focused on supplying the innovative and affordable solution for global customers. Simply contact us with your customized requirements. give us idea, and we will give you a solution!

- Customer First
- Zero Callback
- In Time Response

Introduction to **VISION**

VISION
MOUNTS

OVER 16 YEARS OF PROJECT EXPERIENCE

Since 2003,VISION has devoted itself in providing the most professional and comprehensive service for the residential and pro audio/video markets.from design,engineering and manufacturing know-how,our experience and expertise has brought countless successful products to market.

A TEAM OF PROFESSIONALS

Having the right team involved from the beginning to the end of your project allows you to rest easy. with the peace of mind knowing your investment and idea are in capable hands.

Attentive Project Management

VISION has a seasoned team of project managers and support staff that work around the clock to ensure projects are moving according to schedule,on time and that meet the expectations of the customer.

Experienced R&D Team

VISION has created a core group of talent that provides practical know-how and working knowledge to every project-guaranteeing a successful launch every time.

Proven Quality Management

Oversight is the key to consistent product quality,VISION's highly trained quality personnel provide hands-on and in-factory review of production for consistent quality and peace of mind.

SOPHISTICATED MANUFACTURING

ISO9001 certified factory with modern facilities ranked top in the industry.

Modern Factories

With investments in state-of-the-art equipment,well-organized production lines,industrial workshops and secure warehousing,VISION is capable of handling any product,big or small.

Skilled Workers

The most important aspect of manufacturing is the people working in the production.VISION regularly trains factory employees in all aspects of the manufacturing process and to promote improvements to skill and technique.

Advanced Equipment

Automation and investment in capital equipment ensures product quality and efficiency in addition to safety and reliable operation.

Full-Motion
TV Wall Mounts

An Elegant and Stylish Addition to any Interior.
